

GREENACRES GOLF CLUB

New Members Guide

Introduction

The Council and members of Greenacres Golf Club would like to extend a warm welcome to you. Whether you are an experienced golfer, a novice or junior we hope you enjoy your golf with us.

The following information has been put together to give you an understanding of the Golf Club. We hope you find the information useful.

Whilst we all strive to be competitive and give a good account of ourselves in all competitions we all recognise that golf should be enjoyed. Good etiquette both on and off the course helps us all to enjoy the game. So please avoid slow play, repair pitch marks, replace divots and rake bunkers.

Membership of Greenacres Golf Club

Adult membership of the Golf Club is payable in addition to your centre fees. Just complete an application form and leave for the attention of the Membership Secretary in the Treasurers slot of the cabinet in the member's room. This payment is to cover the administration costs of the club and allows you to:

- Apply for a GUI recognised handicap
- Enter Greenacres Golf Club weekly competitions
- Have coverage under the Greenacres Golf Club 3rd party insurance policy
- Represent, if selected, Greenacres Golf Club in interclub events.
- Access to the club officials for advice and assistance when needed.

Playing Handicaps

To apply for a handicap please forward a current handicap certificate if you are transferring from another club to the Match & Handicap Secretary, or alternatively submit signed cards from 3 rounds preferably played with another member who already holds a club handicap and from the competition markers. These 3 cards should be placed in the Match & Handicap slot of the club cabinet and clearly marked 'for handicap'.

Until the three cards have been submitted and a handicap has been allocated new members can play with another members in any club competition from the competition tees.

Once the Match & Handicap Secretary has calculated your handicap and verified with the membership secretary the club membership fee has been paid, your name will be added to the club computer and the GUI managed Golfnet website. Shortly afterwards the GUI will post to the Golf Club your GUI card and you will then be eligible to play in 'open' competitions at other GUI affiliated clubs.

To enter these competitions you will be required to produce your GUI card and / or a valid handicap certificate.

Handicap Certificates can be requested by completing a request slip and placing it in the Match & Handicap slot of the cabinet. You should request all certificates at least one week in advance. Certificates will be available for collection from the starter on a Saturday or reception during the week.

Club Computer / Touch Screen

The club uses the CONGU licensed Club Systems to manage members handicap. Members can then access this through the touch screen in the member's room and their individual scores and season progress through www.howdidido.com and www.golfnet.ie websites.

A week after submitting the cards for handicap, new members should use the touch screen and/or the howdidido website to check if their handicap has been allocated.

Club Competitions

The club organises competitions throughout the year with the main competitions being held on a Saturday. During the summer months additional Stableford competitions include the 5 Day Members Trophy, Over 60 Trophy, Midweek and Sunday competitions.

The Saturday competitions are managed by the club and are open to all members*. Tee times are controlled via a start sheet which is published three weeks in advance by the club.

* Five day members have to pay the appropriate fee to the Golf Centre and juniors must have handicap of 20 or less.

The midweek competitions are managed on behalf of the club by the Golf Centre. All Weekday / 5 Day members are welcome to play provided they pay the relevant green fee to the Golf Centre. Tee times for these competitions should be booked in advance through the centre. During the winter months the club runs a Winter League, in addition to the weekly midweek and Sunday Stableford competitions. Details of this event will be published on the notice boards and the club website.

Saturday Start Sheet

The Saturday start sheet allocates members a tee time, with the first group teeing off at around 6.20am during the summer months followed by groups at 8 minute intervals. Times are at a premium and unfortunately new members to the club will need to either avail of the later tee times or seek an earlier time as it becomes available. To have your name added to the start sheet write to the Match & Handicap Secretary stating your preferred time slot.

The start sheet is managed through the touch screen in the member's room and the www.howdidido.co.uk website. All members are required to remove their name from it by Friday evening at 5.30pm, if they are unable to play. This means that individual spaces become available throughout the time sheet. Other members are free to enter their name into a free space.

Members who fail to remove their name from an assigned tee time will be fined the competition entry fee and will be ineligible to compete in future competitions until the fine is paid. Members failing to withdraw their name for 3 subsequent weeks will automatically lose their entitlement to that particular tee time. If exceptional circumstances apply you must notify the Match & Handicap Committee in writing.

Until the three cards have been submitted and a handicap has been allocated new members wishing to play during a Saturday competition should contact the Match & Handicap Secretary.

Saturday Competitions

Upon arrival at the club members are required to sign into the competition on the club computer before reporting to the starter at least 10 minutes before their allocated tee time. Failure to do so will result in a 2 shot penalty and may result in disqualification from the competition. Members not entering the main competition cannot enter the 2's competition.

To compete in the Saturday competition a minimum of 3 members must play in each group. On occasions the starter will require you to move from your regular fourball to make up such groups. It is expected that players will respect and facilitate instructions from the starter. The starter is there to facilitate your entry to the competition. If he/she imposes a fine or penalty it is at the request of the club council. Please respect the authority given to the starter – do not get into a dispute the starter. Please forward your appeal or details of your dispute in writing to the Match & Handicap committee. Any verbal abuse directed at the starter or such appointed officer on duty will be brought to the attention of the council.

If you have been lucky enough to score a 2 or better, place the card into the 2's slot. All score cards should be returned at the end of the round even if the score is not entered onto the computer.
